In anticipation of an increase in evaluations this is an addition to the current full time psychologist we have. We will have 1.5 school psych next year with your approval.

Hi Derrick,

I meant to follow up with you on this. Is this an additional position, or are you cutting a position to part-time?

Hi Nakeba,

Can you provide authorization for South Metro to hire a Part time school psychologist? My projected fy18 allocations will support hiring this part time position.

Thanks,

Hi Nakeba,

In planning for next school year I have made a request to my fiscal agent to add a part-time psychologist position. Can you confirm that I am authorized to add the position based on program funding?

Thanks,

Something saying that you were approved to put that position into your budget for next year (state-level e-mail or document).
